Serendipitous Beginnings

Sometimes you discover fantastic things by accident, and that was the case with the new system implemented to help with grade-level distancing.

In fact, everything went so smoothly during our first week - especially with drop-off and pickup - that we'll be keeping some of these changes long-term!

Thank YOU for making this our best back-to-school week ever.

What's the Benefit?

A Week's Worth of Giving

Meadow made the transition from Scrip to *Benefit* in 2017, and it's made meeting your Annual Giving easier than ever.

When you shop and pay using *Benefit*, retailers contribute up to 27% of your transaction to your Annual Giving account.

Board of Trustees

The Trustees will be meeting on Monday evening to begin Meadow's next strategic plan. We have completed Vision 20/20, with great success, so it's time to look

forward to the next five years.

The first step is visioning where we want to be in 2025, which is what the Trustees will be doing tomorrow. Led by Lynda Nickelson, we expect to have a meaningful two hours together.

Trustee Spotlight

Coady Torio continues this year as MMS's Board President, and we are lucky to have him as Meadow enters the next round of strategic planning.

Coady is president of a manufacturing company, and although he is a CPA by profession, Coady is best known for thinking outside the box. He always strives to bring about the best in work and people. We will put his creative problem solving to good work this year!

Coady enjoys camping and kayaking with his family in his leisure time.
